

CZAR GETS DEATH WARNING AS MOBS KILL JEWS IN RIOT

Tyrant Trepoff and Other High Officials Also Named to Die in Proclamations Nailed on Palace Doors and Scattered About Peterhof.

Russia is a rumbling volcano and at any moment the long pent-up passions of an oppressed people may break through the barriers set by the Government and overwhelm the Romanoff Dynasty. Revolution is in the air. In the opinion of conservative observers the psychological moment is at hand.

The Czar of all the Russias has been condemned to death by the radical element in his own people. Proclamations to this effect were scattered to-day through Peterhof. Despite heavy guards about the palace copies of the proclamation were mailed to the doors of the quarters of Gen. Trepoff and Gen. Orloff, who have also been condemned to die.

A massacre of Jews, which threatens to become general throughout the country, has begun in Odessa, and a number of persons have already been slain in the riots, which are led by Cossacks.

CZAR FORCING A REVOLUTION.

The blind, foolish Russian Government is proceeding just as it has proceeded for centuries to put down rebellions. But this is a rebellion such as the world has not witnessed since the people of France cast off the shackles forged by a dissolute and unobscrutable monarch. From the frozen steppes of the north to the busy agricultural and manufacturing centres of southern Russia the revolt is active.

Czar Nicholas piled on the last straw when he dissolved the Duma. He is adding fuel to the burning rage of the people by ordering members of the Duma who took part in the meeting in Finland to be arrested. The climax is expected when the facts become common knowledge throughout the empire. At present the Government is striving with might and main to keep the truth from the people. The revolutionists have gone so far as to arrange for a provisional government.

Cossack regiments have rebelled when ordered to disperse revolutionary meetings in St. Petersburg. It is expected that the revolution will begin in the country provinces, sweep to the cities and culminate in the army joining the people against the nobility and the wealthy land owners.

DEATH SENTENCE ON PALACE DOORS.

ST. PETERSBURG, July 24.—Proclamations announcing that the death sentence has been imposed on the Emperor, Gen. Trepoff, M. Pobedonosteff, who was Procurator-General of the Holy Synod, Gen. Orloff, the "pacifist" of the Baltic provinces, and others, have been scattered over part of Peterhof.

The terrorists are said to have succeeded in mailing copies of the sentence on the doors of Gen. Orloff's and Gen. Trepoff's quarters.

LONDON, July 24.—A despatch to the Reuter Telegram Company from Odessa, received here at 3:50 P. M. to-day, says: Anti-Jewish outbreaks have begun here. A number of persons have already been killed or wounded. Cossacks and roving bands are plundering the deserted Jewish houses and shops.

On Srednaya street three Jews were killed and three were wounded in attempting to defend their property while the police looked on.

In another bloody conflict in Stepanov street two Jews were slain and eight injured.

The whole city is in a state of panic. Many of the inhabitants are fleeing. The Black Hundreds are distributing bloodthirsty proclamations in the streets.

Owing to the rapid fall in Russian securities, the local State bank to-day stopped paying out money to Jews who wanted to leave the city.

ODESSA, July 24.—Serious disturbances took place in the remote quarters of Odessa during the night. The Jews sought refuge in the centre of the city, many of them leaving Odessa altogether.

DUMA MEMBERS THROWN INTO JAIL. VIBORG, Finland, July 24.—The Czar has hit back at Parliament for its bold call to the people to defy him. He has opened the prison doors and two members of the Duma have been thrown into dungeons, while others are listed to follow.

The statements arrested to-day are Father Koyarkoff, at Voronezh, and a Cossack Deputy, M. Kharlamoff, at Rostov-on-the-Don.

The police also have orders to arrest several Social Democrats, especially a priest named Afanasieff.

Both Father Koyarkoff and M. Kharlamoff distinguished themselves by preaching revolution from the rostrum of Parliament, the latter being especially bitter in his denunciation of the use of his people in massacring their Russian brethren.

ST. PETERSBURG, July 24.—2:45 P. M.—It is certain that an amount of consternation is apparent in the upper spheres over the magnitude of the task the Government has assumed. Events are marching with startling rapidity. Having taken a decision to sit on the safety valve, the Government knows of no method except force, and all the old bureaucratic machinery of suppression has been placed in operation to prevent an explosion.

Filling the Prisons. Donatary searches continue in all quarters of the capital, the prisons are already filling, and the old, blind system of attempting to conceal from the people what is happening has been abandoned. The censorship of the press has been re-established with a vigor unknown since the days of the late interior Minister von Plehve, accompanied by the wholesale confiscation of newspapers. No word of the proceedings of the members of Parliament at Viborg, or of the address just issued, has been permitted to be published.

Telegrams from the provinces telling of the universal indignation aroused by the dissolution, and the knowledge from abroad outlining public opinion in foreign countries, have been suppressed. Not a word of the speech of Premier Campbell-Bannerman before the Interparliamentary Union last night, or the speech of the Russian Premier, was allowed to be printed. The editors of the Russian press were ordered to suppress any allusion to the Russian Revolution.

Cossacks Join Police. At two o'clock last night, one near the Mikhaylovskiy district, across the Neva, the Cossacks sent to disperse them, refused openly to do so, and fraternized with the workers. This is partially confirmed by the revolutionary press that reports will not set the scale on the people.

The most serious immediate problem confronting the Government is what to do with the members of the outlawed Parliament, isolated arrests of members have occurred in various parts of the country, and it is difficult to see how the Government legally can avoid arresting all who participated in the Viborg meeting.

The members fully expect to be lodged in prison and the great bulk of them about one hundred and thirty in number.

With the Revolutionists. Before leaving Viborg it was arranged through underground revolutionary channels to distribute the addresses to the country, hundreds of thousands of copies of which have already been surreptitiously printed. The members of Parliament therefore have already

opened an alliance with the purely Russian organization. The opinion is also most unanimous that they must have immediate recourse to the only weapon at their disposal, namely, general political strikes for the purpose of paralyzing the Government. The Moscow Workers' Council will be ready Sunday or Monday, and a tentative decision to call a strike will be taken on Sunday.

A telephone message from Moscow says that a great popular demonstration, organized by the leaders of the workmen as a preliminary to the strike, occurred in the streets there to-day, but in pursuance of the plan care was taken to keep within reasonable limits, and there was no interference on the part of the police or troops.

The membership of the Permanent Executive Committee, which is headed by Prince Paul Ogoroukoff, together with its future plans, are kept secret, but it is virtually prepared to assume the role of a Directory, or Provisional Government, should developments make such a course advisable. Such an intention, however, is not publicly acknowledged, but all the groups participating in the address to the country realize the gravity of the stand they have taken.

"We carefully avoided summoning an active revolution," said one of the leaders to the Associated Press. "We stand committed before the country and the world in the limits of passive resistance. Further than this we did not go."

Appeal to the Army. The members of the Group of Toil and their allies, the proletarian organizations of St. Petersburg, were in active consultation to-day. While they only intend to make a Parliamentary address to the country, so far as it goes, they consider it to be a half-way measure, and hold that it should be followed by an appeal to the army, preparatory to an uprising, which they consider inevitable. In the cities and country, such an appeal will probably be issued immediately.

JEROME HEARS FROM ALDERMEN ON ICE TRUST

District Attorney Criticized for Not Prosecuting Officers.

At a special meeting of the Board of Aldermen this afternoon the question of the price of ice in the city and the relation of the price to the greed of the Ice Trust was taken up. Incidentally District Attorney Jerome was sharply criticized for his inaction and evident intention to dodge the issue in the Ice Trust matter.

At a recent meeting of the Aldermen the District Attorney was requested to begin an examination into the books of the American Ice Company. He said that he had no authority to investigate the books and had no evidence that the company had committed a crime, was read to the meeting.

SAYS HE WILL OPEN BOOKS OF THE ICE TRUST

President Oler Tells Attorney-General He May Inspect the Records.

Heber M. Oler, president of the American Ice Company, called at the office of Attorney-General Mayer in this city to-day to talk over the Ice Trust matter. His visit was voluntary.

President Oler to-day assured the Attorney-General that he was willing and anxious to give him the District Attorney all the information which they may desire. He assured the Attorney-General that the books of the company would be thrown open to him for inspection.

Attorney-General Mayer said this afternoon he would accept the offer made by Mr. Oler and would proceed at once to searching surrounding woodland.

It was reported here during the day that a young woman bearing the name said to have been given in connection with the secret marriage at Holyoke, Mass., had been located, and that she was the one who was married.

As before, the effort was without result and attention was again turned to searching surrounding woodland.

Captain Wants to Be Retired, but Surgeons Declare Him Fit for Duty.

At his own request Police Capt. Robert E. Dooley, of the Hamilton avenue station, Brooklyn, was ordered before the police surgeons to be examined as to his fitness to perform further police duty. The surgeons reported to-day that they found him in good physical condition except for a small hemorrhoid easily removed by an operation. Capt. Dooley was examined by Drs. Charles H. Terry, John D. Sullivan and Henry De Forrest.

Since his trial on charges preferred by Inspector Schmittberger, Capt. Dooley is said to be anxious to quit the force, but he cannot now do so. It is expected that he will be obliged to submit to an operation.

Ask Anybody From Delaware About the Cleanliness and Purity of Richardson & Robbins' Potted Meats

We have to buy a whole chicken, a whole ham, or a whole tongue, use the solid prime part and throw the rest away—you have to pay us for what we keep out of the can as well as what we put in.

Thrifty manufacturers say we are wasteful, that we discard enough meat and "trimmings" to run a canning factory. But we have been conducting our business this way for fifty years, and we make money at it because there are always enough people willing to pay the few extra cents for quality.

If good housekeepers throughout this country knew our plant as people here at home know it—as visitors to Dover know it—we couldn't supply the demand if we quadrupled our facilities. Money couldn't buy the name, nor change a recipe, nor lower the standard. Ask anybody from Delaware.

Every meal is tinned in a special sanitary can that opens with a key. Every can is sterilized before it is filled and afterward.

Ask your dealer for Richardson & Robbins' potted chicken, turkey, ham, tongue, curried fowl, boned chicken and luncheon meats. Insist on the label "R. & R." It is your safeguard.

SKIN DISEASES

FIERY ACIDS IN THE BLOOD

All skin diseases are due to the same cause—an excess of acid in the blood caused by faulty assimilation of food and poor bowel action; this fiery, acid matter is forced to the surface through the pores and glands. Pustules are formed, discharging a sticky fluid which dries and makes a crust, causing intense itching. When these crusts or scabs are scratched off the skin is left raw and bleeding. Sometimes skin diseases are in the dry form, and bran-like scales come on the flesh, or the skin becomes hard and dry, often cracking, and the painful itching causes acute suffering. It does not matter how the trouble is manifested, the cause is the same—an excess of acid in the blood. Salves, powders, cooling washes, etc., while they relieve the itching and give the sufferer temporary comfort, cannot cure the trouble because they do not reach the acid laden blood. The best treatment for all skin diseases is S. S. S., a remedy that is purely vegetable and one which acts directly on the blood with a cleansing, healing effect. S. S. S. neutralizes the acids, and purifies the blood so that the skin instead of being blistered and burned by the fiery fluids, is nourished by a supply of cooling, healthy blood. Book on Skin Diseases and medical advice without charge.

Dear Sirs: My body broke out with a rash or eruption which in spite of all efforts to cure continued to get worse. The itching, especially at night, was simply terrible. I had tried many of the highly recommended preparations without benefit, and hearing of S. S. S. determined to give it a fair trial, and was inexpressibly delighted when a few bottles cured me entirely.
